*Everyone who helped make the
“Evening at the Vineyard” a huge success.
Hawks View Winery provided a wonderful setting for
great food and fine wines, also including some great
wines from Girardet Winery. The bus trip with St.
John Entertainment was highly entertaining and
profitable. The weather was wonderful and Wendy
McCord won the gas raffle. More details and
photos will be available on our website, soon!*

KUDOS (AGAIN)

Thanks to everyone who helped make the
“Evening at the Vineyard” a huge success.
Hawks View Winery provided a wonderful
setting for great food and fine wines, also
including some great wines from Girardet
Winery. The bus trip with St. John
Entertainment was highly entertaining and
profitable. The weather was wonderful and
Wendy McCord won the gas raffle. A photo
slide show is available on our website,
NOW!

WELCOME – District Governor Mike Fischnaller and Marlee

Michael “Mike” Fischnaller was born in 1946 in Omak, WA and graduated from Omak High School in 1964. After his first year of college at Central Washington State College in Ellensburg, WA, Uncle Sam changed his status from fun loving student to Infantry Intelligence, the ultimate oxymoron. Mike spent 20 months in Vietnam, most of it in the 4th Infantry Division Long Range Recon Patrol (LRRP) where he made more than thirty four-day reconnaissance missions in the Central Highlands.

After Vietnam, Mike began his 33 year career with Pacific Northwest Bell. While with PNB the company changed its name three times and he moved 11 times. During that time Mike completed his undergraduate education, graduating from Northwest Christian College, Eugene, Oregon, in Managerial Leadership. Mike retired from Qwest in 2001, having held sales and management positions including Sales and Management Training Manager (good preparation for District Trainer).

Since 2001 Mike has been the Vice President of New Pacific Corp., a family held commercial property investment firm. Mike is responsible for managing properties and analyzing new investment opportunities for the company.

New Pacific Corp. has industrial properties, retail service stations and a commercial office building, most of which are located in the Eugene-Springfield area.

Mike became a Rotarian in 1979 when he joined the Rotary Club of Roseburg. After moving to the Springfield area, he became a member of the RC of Springfield in 1990, held numerous Board positions and served as president in 1994-1995. Mike also served on the club's Membership and Rotary Foundation committees as well as Club Secretary. At the district level he has served on the District Training Committee since 2002, Chair (2006-2008), and has been an instructor for the District Leadership Academy since 2002.

Mike and Marlee were married in 1997. Together they have five adult children and two grandchildren, with a third on the way. They are active in the Eugene First Baptist Church, enjoy travel and whitewater rafting and Mike is a “Cowboy Action Shooter.”

Mike and Marlee are strong supporters of The Rotary Foundation. Both are Paul Harris Fellows, level two members of the Bequest Society and Mike is a member of the Paul Harris Society.
