Program: Randy Rema, Reese Electric
Greeter: – No Greeter scheduled
 (I know someone would love to step up and fill this role!)

"We are the fun, energetic, service oriented leaders of the community with can do attitudes. THE club to belong to!!!
Meet with us EVERY Thursday, 7am @ Red Lion Inn in Coos Bay.

Club members divided into groups of their choice of either: Public Relations, Youth, Membership or Service Projects. Each member provided valued input on how to improve, develop and expand the club participation and recognition in each of these areas.

What a bunch of great thinkers!!

September is 'New Generations' Month. As we plan our activities for the month, we need to consider ways to cross-promote New Generations programs and enhance collaboration between youth, young adults, and Rotarians.

What's one way that participants in our club's New Generations programs can work together to amplify their impact?

District 5110 News

2011 and 2012 is a big year for Rotary Clubs in District 5110! The Rotary Clubs applied for and received funding from District Simplified Grants in support of a variety of Community and International projects. A total of \$47,402 will be awarded.
